

Hello Parents and Guardians,

Over the course of this school year, I'd like to take the kids on short walking field trips to places such as: the riverbanks of the North branch of the Embarrass River, Bowler Pond, the Mountain Bay Trail, the Bowler DNR Ranger Station, or the downtown area. I don't list exact trip dates here because they depend on the weather and that location's place in our curriculum. I'll tell the kids at least one or two days beforehand so they can dress appropriately.

Student _____ has permission to accompany the teacher on walking field trips in Bowler.

Parent/Guardian Signature _____

Date _____

Thank you!
Ms. Fuller
